BUILDING OVERVIEW

1101
SIXTEENTH

Situated on the corner of Sixteenth and L Streets, only blocks from the White House, 1101 Sixteenth presents a rare opportunity for organizations to amplify their legacy on one of the world’s most prominent streets. It is an address fit for those who understand the value of tradition, and have the confidence to make a bold statement.

Designed by world-renowned architectural firm, HOK, and developed in partnership by Akridge and Stars Investments, 1101 Sixteenth is a property tailored to those who are dedicated to making an impact. It is a property for those who believe in the power of place to enhance reputations and cultivate relationships.
